THE WHEATLANDS HOMEOWNERS ASSOCIATION

Homeowner Electronic Communication Update Form

Dear Homeowner,

Enclosed is a Consent to Electronic Delivery form that requires your authorization and signature if you would like to receive Association notices and other communications electronically from The Wheatlands Homeowners Association.

The Board of Directors has approved a resolution allowing the Association to distribute a wide range of information electronically, including budgets, proposed amendments, meeting notices, newsletters, and other Association-related communications. This secure email distribution system will help improve communication while reducing administrative costs and mailing expenses. **Be aware that the Association and its management company may use your email address solely for Association business. Under Illinois law, the Association may be required to disclose member email addresses if requested by another owner as part of the Association's official records. Other than as required by law, this information will not be sold, shared, or distributed to third parties by the Association or its management company.**

If you wish to receive communications electronically, please complete, sign, and return the enclosed consent form.

The Illinois Common Interest Community Association Act requires written authorization before the Association may provide official notices and other communications by electronic delivery. The Board of Directors requests that all homeowners participate in this program. Co-owners can each have their own individual email address on file if so desired.

You can either mail or email a scanned, signed copy of the attached consent form to:

Thank you for your participation and for helping the Association communicate more efficiently with our community.
