Dear Wheatlands Homeowners,

One of the most important responsibilities of the Wheatlands HOA Board of Directors is preparing the annual operating budget. Each homeowner pays an **annual** assessment to help support the expenses in the budget. As a reminder, between the townhouses and single-family homes we have almost one thousand households in "The Wheatlands".

The HOA Board works on your behalf to keep our community beautiful and performs other duties as specified in the HOA Declaration. The HOA Board supports the community in maintaining the ponds, fountains, grounds (mowing, mulching), to trim/remove/replace trees, to update gardens in common areas and pay for electricity and seasonal decorations. We also support community activities such as the HOA community garage sale and the Movie Under the Stars night.

In 2024 we had to raise assessments for the first time in over 20 years. Unfortunately, to keep up with costs, we had to raise them again for 2025. The HOA Board has worked very hard to refine our contracts and ensure that we are spending money in the best way. We are now pleased to inform you that there will be **no assessment increase for the coming year**. Assessments for the Wheatlands HOA will remain the same to be paid annually on January 1st. As always, all assessments will be mailed to homeowners the first week of December. *Note that you also pay monthly assessments to sub-associations if you live in the town homes in Ogden Pointe, Summit Fields, or Harvest Run which are contained within the Wheatlands.*

Although The Wheatlands assessments will remain the same for 2026, we continue to build back our operating and capital reserves, as well as implement our collections process when homeowners have failed to pay their annual assessments on time. Assessment payments are due on the 1st of ***January.*** If payment is not received by ***February 1*** a late fee of ***$30.00*** is assessed each month for three months (in March, April and May).

Unpaid accounts then reach delinquency status in accordance with the association's collection policy and are referred to the association's attorney for collection proceedings. This referral will now cost the homeowner an additional $225.00 as this is the charge we pay to the management company for the referral. Thereafter all legal fees incurred also become the responsibility of the homeowner. All owners are provided proper notice prior to this action being taken. Therefore, please make every effort to submit payments on time to avoid the headaches and legal fees of collection action. Should you find you are unable to do so, please contact RealManage (contact info on our HOA website) to discuss payment options.

We are making every effort to operate at our budgeted amount. However, if costs continue to increase, we will need to consider assessment increases in the future.

An open meeting is scheduled for Wednesday December 3 for final approval of the enclosed budget. You can find information on how to attend meetings and additional HOA information by checking the Wheatlands HOA website at www.wheatlandshoa.org. **Please plan to attend this important meeting.**

A copy of the 2026 budget is enclosed for your information and review and is also available on the HOA website at www.wheatlandshoa.org/budget--assessments.

You can register to conveniently pay your assessment online on the Resident Portal at https://www.ciranet.com/ResidentPortal/user/login. There is also a link to the Resident Portal from the WheatlandsHOA.org website. While you are there, please verify that your email and phone number are up to date.

We hope that this provides the up-to-date information all homeowners need to stay current with their Wheatlands HOA Assessments.

Sincerely,
The Wheatlands Home Owners Association Board
