The Wheatlands HOA Fence Restrictions

Fences are not allowed on the ponds.

Fences must be located between the rear lot line and the back of the home, not the back of the garage

Fences may be located along the side of the home if there is a side door used to access the backyard.

Western Red Cedar Fence Standards

Only a four foot, five foot, or six foot fence height is allowed.

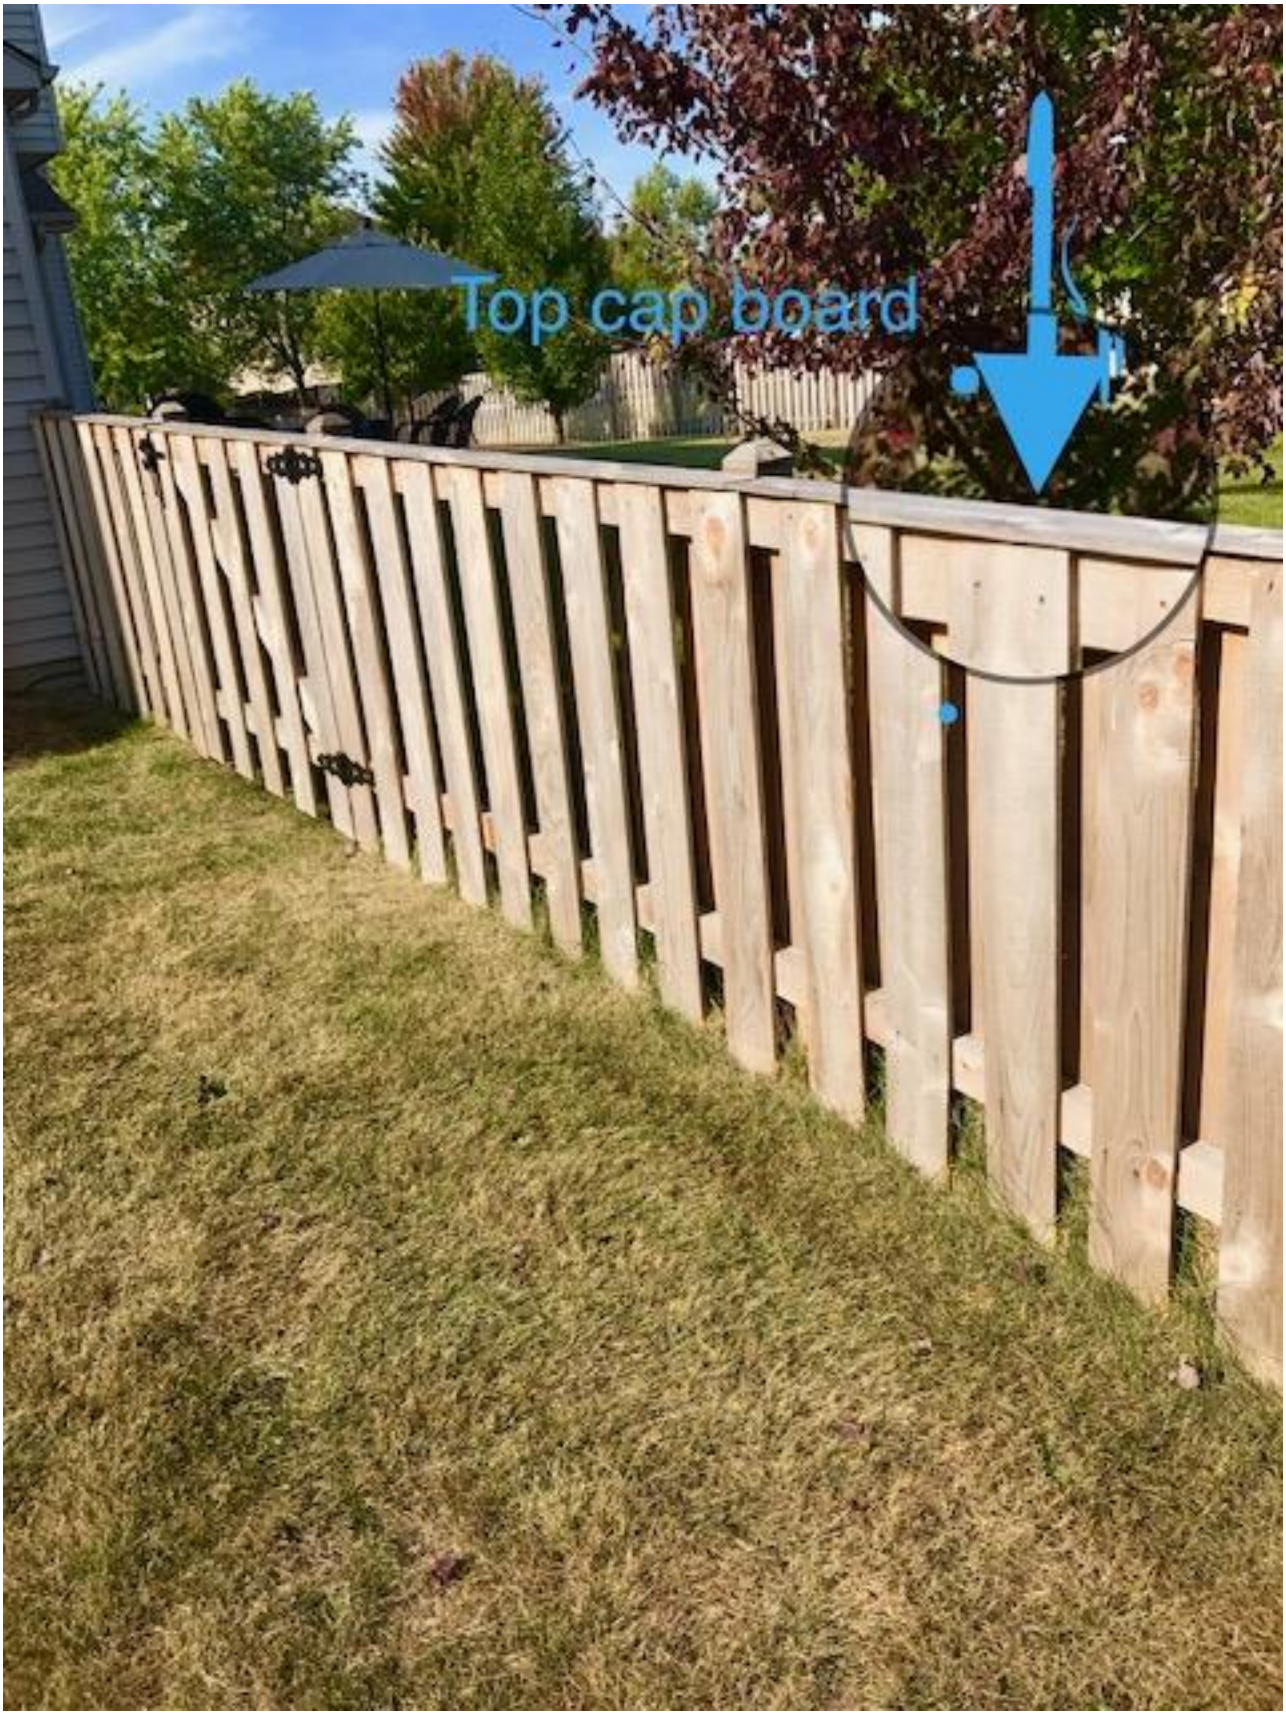

Western Red Cedar, board on board (shadow box) fence; (ii) Height to comply with municipal codes; (iii) 1 x 6 boards, spaces edge-to-edge and back-to-back to comply with percent open and closed per municipal ordinance; (iv) 4 x 4 posts (cedar) with wood (cedar) cap, set 42" into ground and 8 feet +1- on center, with concrete footings; (v) Two 2 x 4 back rails (1-1/2" wide); one at the top of the boards and one 12" up from bottom of the boards; and (vi) 1 x 4 top cap, centered on boards.

Wrought Iron Fence Standards

Only four, five or six foot fence height is allowed

Aluminum that approximates the look of a classic wrought iron fence, baked enamel, ornamental fence. 5/8” sqr pickets, 1” rail, 2” square posts, with standard flat cap on posts. The finish shall be black in color. Pickets shall have three running rails to enclose the pickets. (top cap, bottom rail and a third rail near the top.) The second rail shall be 7” from the top rail. On a four foot fence the third rail shall be 35” from the top rail. On a five foot fence the third rail shall be 47” from the top rail. On a six foot fence the third rail shall be 59” from the top rail. Posts shall be minimum 70” providing for a minimum 21” below grade. Posts shall be set in cement in minimum 6” wide holes – unless the City requirements are greater. Pickets shall be spaced 3- 27/32” apart and have no finials. Posts shall be 72- ¾” on center. To further maintain uniformity in the community, the color of the fence shall be black.
